

بسُمِ ٱللهِ ٱلرَّحْمَرُ ٱلرَّحِيمِ

نوٹ ۔ اس پروگرام کے تحت سکول میں نئی تعمیرات /مرمت کا کام کیا جاتا ہے جیسے نئے کلاس روم بنانا، بیت الخلاء ، سائنس اور کمیئوٹر لیب یا ان کے سامان کی خریداری کے لیئے فنڈز مہیا کرنا۔

Infrastructure Program:

The Infrastructure Program is aimed at improving the physical infrastructure of schools in underprivileged communities. The budget for the Infrastructure Program is allocated as follows:

ممبر سکولز کو بنیادی ڈھانچے جیسے کالس روم، بیت الخلاء، سائنس/ کمپیوٹر لیب یا ان کا سامان وغیرہ کی فراہمی کے لیئے مندرجہ ذیل ترتیب سے بجٹ رکھا گیا ہے۔

Detailed Budget:

(نئی تعمیرات / مرمت) New Construction/Repairing: 75% of 1,920,000/ PKR = 1,440,000/ PKR

(فرنیچر / رنگ و روغن وغیره) Furniture and renovation: 20% of 1,920,000/ PKR = 384,000/ PKR

(صاف پانی / حفظان صحت کی سہولت) Sanitation and Hygiene: 5% of 1,920,000/ PKR = 96000/ PKR

نوٹ ۔ اوپر دیا گیا بجٹ یہ فرض کر کے بنایا گیا ہے کہ ہمارے پاس 200 ممبرز رجسٹر ہیں ممبران کی تعداد نیادہ ہونے کی صورت میں اسی ترتیب سے بجٹ میں اضافہ کر دیا جائے گا۔تین ماہ کے اندر کسی بھی ایمر جنسی کی درخواست موصول نہ ہونے کی صورت میں ایمر جنسی فنڈ کا 50٪ بھی اس پروگرام کی پہلی کیٹگری میں ضم کر دیا جائے گا تاکہ نیادہ سے نیادہ سکولوں کو فائدہ دیا جا سکے۔

Brief Introduction:

The Infra Development Program is an initiative taken by you is the Education Initiative to provide better infrastructure and facilities to schools. The program aims to enhance the learning environment for students by providing them with better facilities such as classrooms, libraries, laboratories, toilets, clean drinking water, and other amenities.

The program identifies schools that lack proper infrastructure and facilities, and works towards improving their physical infrastructure and environment. The program also focuses on providing basic amenities like clean drinking water, toilets, and playgrounds, which are essential for the overall development of students.

By providing better infrastructure to schools, the Infra Development Program aims to create an environment that is conducive to learning, and helps students to achieve their full potential. The program is designed to bridge the gap between schools that lack resources and those that have better facilities. Through this program, you're the Education Initiative is making a significant contribution towards improving the quality of education and providing a better future for the students.

TORs (Terms of Reference):

Eligibility Criteria:

The school must be a registered educational institution and have a proven track record of providing quality education to its students. The school must be in economical crises or have been affected by a natural disaster. School must be PEF partner from 3 years and has PASS status of last QAT conducted by PEF.

Needs Assessment:

The school must undergo a needs assessment to determine the infrastructure development projects required. This assessment will be conducted by district coordinator of TEI in consultation with the school's management.

Project Proposal:

Based on the needs assessment, the school must prepare a detailed project proposal that outlines the infrastructure development project(s) required, including estimated costs, timelines, and any other relevant information.

Funding Approval:

TEI Core committee will review the project proposal and, if approved, will provide funding (by online transaction) to the school to undertake the infrastructure development project.

Technical Support:

TEI will provide technical support and guidance to the school throughout the project, including advice on building codes and regulations, guidance on selecting materials and suppliers, and project management assistance to ensure that projects are completed on time and within budget.

Monitoring and Evaluation:

TEI may conduct evaluation visits to ensure that the infrastructure development project is progressing as planned and that the funds are being used effectively.
